GIOVANI

# HISTORY

The passion of creation beautiful, inimitable things, with their own exceptional character, has led us to the southern Italy. There, among hundreds of various kinds of leathers and materials, we have selected unique leathers in such colours as cornaline red, tiama brown, onyx black, and fuchsia violet, which perfectly composed with glamorous shine of Swarovski crystals.

Italy is the world leading country for fashion. It is the home of worldwide known designers, who create stunning and exclusive items. Our inspiration to create such products was an Italian word "GIOVANI" which means: young, youthful...

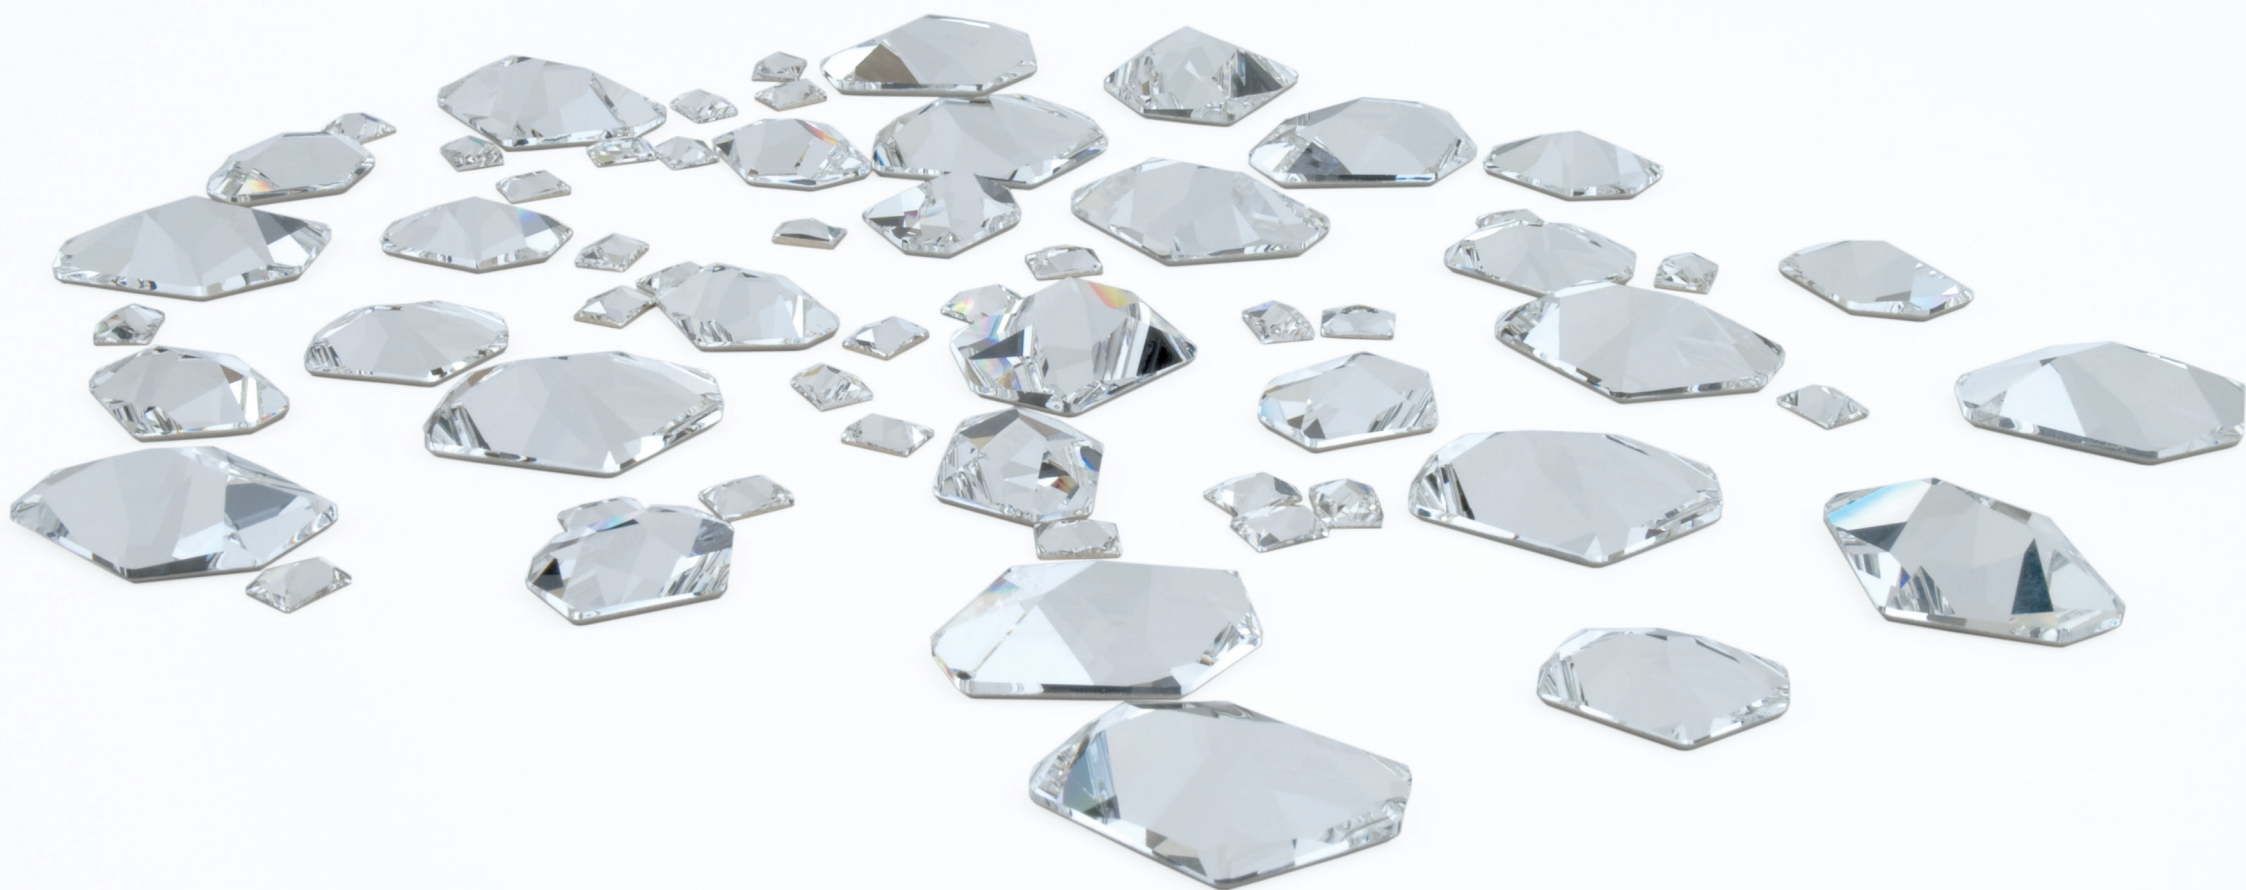

Therefore "Giovani" collection is created for everyone who feels young, ambitious, open minded, resolute and courageous... This line is designed for people who always want to be individualistic, stylish and charismatic.

We have got only one desire to fulfill. We want to change typical way of perceiving some leather goods as classic and dull. We will create vanguard trends that will be the picture of youth and vitality.
